To our valued CB babes,

Due to the increased demand of consignment within Calgary and specifically within our store, we have had to make a few changes to our drop off policy. In order to provide the best service possible and to ensure your items sell in a quick and timely fashion, we've implemented the below changes. We want you, as a loyal consigner with the Clothing Bar to know that your items are our top priority and we do everything we can to ensure a fast turn around time. With the heavy increase in drop offs happening within the past 6 months we have implemented these changes in order to make it fair for everyone who wishes to consign with us.

1. There will now be a 2 bag **maximum** drop off per consignor, per day. (medium sized garbage bags or equivalent). Please see our website for our most popular & desired items.
2. Please consider only consigning your best quality items, and ensure all clothing is washed and free of stains. This will help in order to avoid overcrowding of donation clothing that we proudly provide to WINS or other charities.

Please refer to our website for full details on consigning with us [www.clothingbarboutique.ca](http://www.clothingbarboutique.ca)

We look forward to the increased customer service that the CB Team will be able to provide. Thanks to all of YOU amazing babes who have created such an awesome community of consignment, and we can't wait to continue working with you.

If you have any questions or concerns, we would love to hear from you!

Thank you for your time,  
Katie Evans, Owner
